President, The Rotary Club,
Piazza Armerina, Italy

Dear President Lucia Giunta,

Congratulations on the successful organisation of the Interact Club of Piazza Armerina.

The Certificate of Organisation in respect of this new Interact club is attached for your signature. You may wish to organise a suitable date for you and the Interactors to celebrate this special occasion.

Please find enclosed some supplies which should help the new Interact club establish itself both in the community and in undertaking effective service activities.

We would appreciate you extending to the members of the Interact club our congratulations and best wishes. The interest and dedication you and your club have demonstrated in organising this new Interact club give every indication of the strong bond that your club has formed with the young people in your community.

Please do not hesitate to contact us in the future whenever we can be of assistance to your club or to the new Interact club.

Yours sincerely,
